COMPUTERS AT TSU RESEARCH LIBRARY

All workstations (thin clients) of the Research Library can freely access the following electronic resources:

- the E-catalog of the Research Library and the E-library (repository) of TSU;
- Russian and international e-resources – full-text databases available by subscription;
- Internet Resources (except resources included in the Federal List of Extremist Materials);
- regulatory and legal databases Garant, Consultant, Kodeks;
- the bibliographic databases of the Institute of Scientific Information for Social Sciences of the Russian Academy of Sciences (INION RAN);
- the abstracts journals of the All-Russian Institute for Scientific and Technical Information (VINITI);
- the educational and academic resources of the Internet, selected and classified according to the fields of knowledge by the library staff;
- office applications (Microsoft Word, Excel, PowerPoint, Publisher) (desktop shortcuts).

You can switch between the eng/rus keyboard layout by pressing Ctrl+Shift.

Saving information on computers at the TSU Research Library

The information is saved on users' **USB flash drives** or in the **Общая папка (Shared folder)** on the Desktop, if the flash drive is not displayed.

Documents in the Общая папка (Shared folder) are stored until 8:00 of the next day
