

DISSERTATIONS AND ABSTRACTS IN TSU RESEARCH LIBRARY

As of 2023, the TSU Research Library holds:

- over **7 000** dissertations (defended in TSU since 1935 and granted by authors from other universities)
- over **10 0000** abstracts

Dissertations and abstracts

- are received by the TSU Research Library from the TSU dissertation councils before the defense;
- are stored in the Department of the Main Collection (book depository) of the TSU Research Library;
- are checked out for use only in the Professors' Reading Room upon readers' requests. Exception: if there are two copies of an abstract available, they can be borrowed for a period of 1 month.
- have been digitized since 2010 and their full texts are stored in the TSU E-library <https://vital.lib.tsu.ru>.

DISSERTATIONS AND ABSTRACTS IN TSU RESEARCH LIBRARY

Dissertations and abstracts may be copied in compliance with the **rules of copying** in the Research Library of Tomsk State University.

Dissertations and abstracts on all disciplines from the stock of the Russian State Library (since 1998) can be accessed in the licensed subscription database

the Digital Dissertation Library of the Russian State Library.

The full texts in the database can be accessed only from the Research Library computers with an individual password.

There is also an option to register on your own at **<https://passport.rusneb.ru>** or log in via your Gosuslugi account.
